Regulated Price Plan Election Form

Please fill out this form if you want to change the Regulated Price Plan (RPP) structure that applies to the Electricity Charges lines of your bill. There are three options: Time-of-Use, Tiered, and Ultra-Low Overnight.

Under Time-of-Use and Ultra-Low Overnight pricing, the price you pay for electricity depends on when you use it. Under Tiered Pricing, you can use a certain amount of electricity each month at a lower price, and once that limit is exceeded, a higher price applies.

For more information on Time-of-Use, Tiered, and Ultra-Low Overnight Pricing and tools to help you decide which price structure is right for you, please visit www.oeb.ca/choice or:
